# How can you assist your child in Math at Home?

# Math in the Kitchen

---

Grocery Shopping

Cooking

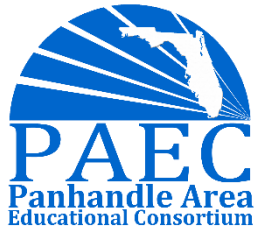

# Math on the Road

---

# Telling Time

---

# Paying Bills

---

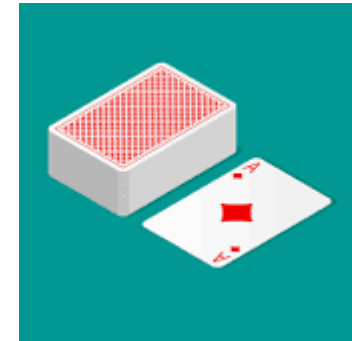

# OTHER WAYS TO ASSIST.....

Use Flashcards

Dice

Playing Cards

Lego Blocks

Joanna had six balloons.  
Two popped. How many  
does she have left?

Draw pictures

# **BUILD IN TIME FOR ONLINE MATH GAMES**

# HANDS 2 MIND

---

- Parents can have students explore lessons in grades K-5. Many lessons provide a video and QR code to assist students.

<https://www.hand2mind.com/parents/parent-support-center/free-activities>

# SPLASHLEARN

---

- Watch your kids fall in love with math & reading through this learning app. (Grades K-5 and only use the FREE version)

<https://www.splashlearn.com/>

# MATH PLAYGROUND

---

- Math Playground provides math games and videos that students will find helpful as they build their number sense skills. (Grades K-6)

<https://www.mathplayground.com/>

# KHAN ACADEMY

---

- Khan Academy is a great way for your child to get help with what they're learning in school or to learn something completely new. (Grades K-12). <https://www.khanacademy.org/>

**“REPETITION IS KEY”**

# Thank you for joining us today!
